Our loyal, hardworking team
are as passionate about
your business as you are.

#1 Workplace Everywhere

At Cloudstaff, we're not just hiring – we're curating a community of the world's best talent! Our model soars above the rest because we're not just about finding the right fit for skills and culture and then expecting you to do the rest.

Our people-first approach is why we get access to the best talent. Every day, we are fueling our passion-driven community that is summed up by our goal: the #1 workplace everywhere. Clinching titles like 'Best BPO in Asia' two years in a row and 'HR Asia's Best Companies to Work For' three times, it's clear we are being recognized for our pioneering approach to global remote staffing.

With phenomenal benefits and a culture that keeps our crew anchored, **it's no wonder we're boasting a stellar 94% retention rate and a candidate database of more than half a million** who want to work with us and our innovative customers. So, why do Cloudstaffers stick around? Because here, it's not just a job; it's a journey of passion and purpose.

Join us and watch your business dreams take flight!

The Cloudstaff Community

At Cloudstaff, we're all about making work feel like a breeze, because when we collaborate, we soar together! Our staff from diverse backgrounds come together to achieve extraordinary goals through seamless teamwork and open communication. We believe that a supportive and productive environment is the key to success.

Customer Focus

Our commitment to wowing clients with exceptional service and a customer-centric approach sets us apart.

Innovation and Technology

Embracing cutting-edge tech, we propel ourselves to new heights of excellence.

Learning and Development

Endless opportunities for skills enhancement and knowledge.

Fun and Friendly Environment

A joyful workplace with exciting social events and team-building activities.

Recognition and Rewards

Celebrating our employees' contributions and keeping them motivated to soar high.

Work-Life Balance

Flexibility and initiatives that prioritize our Cloudstaffers' well-being.

End of Year Party

Cloudstaff's Year-End Party is the ultimate celebration of the year and definitely a magical experience for every Cloudstaffer.

It's a dazzling extravaganza filled with laughter, music, and nonstop fun. It's not your typical party, it's an epic event where Cloudstaffers and their loved ones come together for an unforgettable night. With jaw-dropping prizes, a star-studded guest list, and an atmosphere that radiates pure joy, this party is the talk of the town.

Mid-Year Teambuilding

Cloudstaff is all about creating unforgettable experiences.

That's why in our midyear teambuilding, we take Cloudstaffers with their friends and family on a rollercoaster ride of unforgettable moments – conquering endless adventures and making memories. And of course, it's not a Cloudstaff event without the chance to snag some fantastic prizes on top of the priceless moments with loved ones and the coolest colleagues out there.

Work From Home Perks

At Cloudstaff, our perks and benefits are not just confined to the office space.

Our work-from-home rockstars get the same awesome benefits as our in-office crew – think quarterly perks boxes, high-speed internet, top-notch equipment, work anniversary and birthday cakes, health insurance, and a whole lot more! We've got your team covered, whether they're in the office or rocking it out from home.

Share Club

Every Cloudstaffer plays a crucial role within our organization, serving as an indispensable asset to our company.

Their commitment and hard work form the bedrock of our success, influencing the growth of businesses worldwide. In acknowledgment of their significance, our CEO, Lloyd Ernst, has initiated the Cloudstaff Share Club. This innovative program is designed to ensure that every Cloudstaffer has the opportunity to share in the success they help create. Share Units represent a tangible expression of appreciation for the dedication and excellence demonstrated by our exceptional Cloudstaffers.

Weekly Jam Sessions

Tuesdays at Cloudstaff are like no other day of the week.

On our Weekly Jam Sessions, we're not just throwing numbers and graphs at each other. It's about fun updates, and the chance to snag some cool prizes like Smart TVs. We're also cranking up the energy by having a lively chat with none other than our Chief Karaoke Officer, Lloyd Ernst. It's basically the highlight of our week, and we wouldn't have it any other way.

Dream Points

Every time a Cloudstaffer rocks it at a Cloudstaff event, conquers a milestone, or sharpens those skills at training, they're not just gaining experience, they're earning Dream Points.

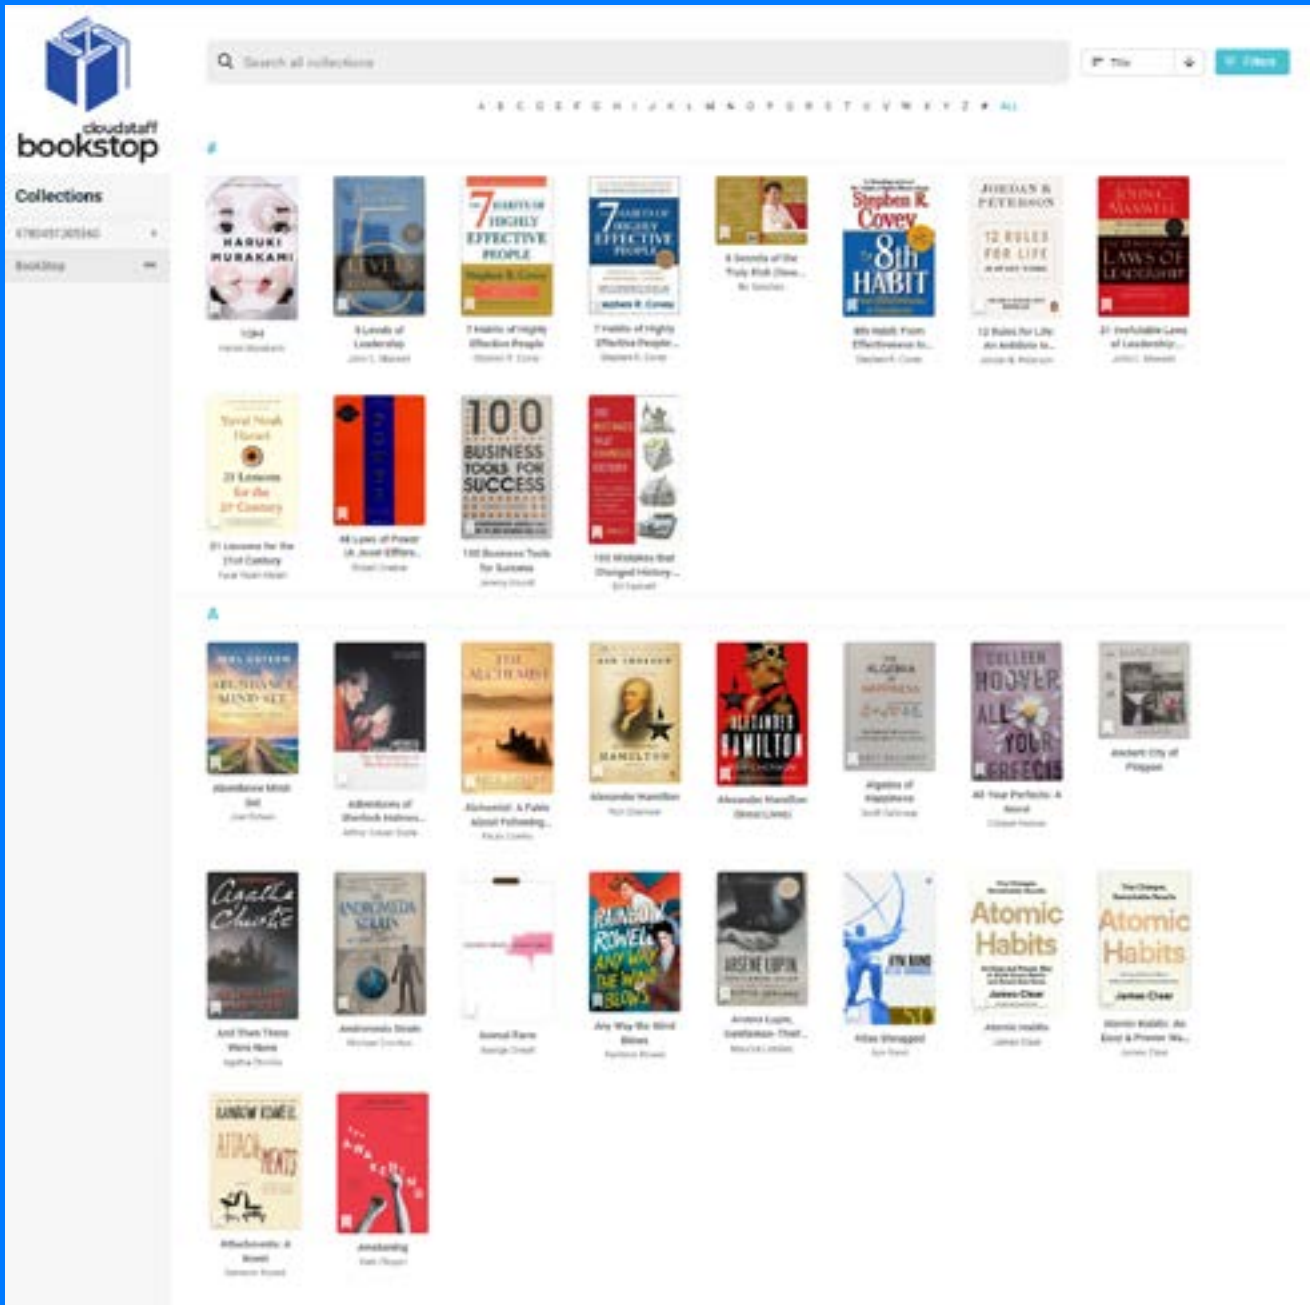

Cloudstaffers can bid on awesome items in our online auctions, snag VIP tickets to the hottest events, or even score some cool stuff through raffles – all just by racking up those Dream Points. At Cloudstaff, we're all about celebrating success and promoting pure excellence.

CS Library

Cloudstaff Bookstop presents Cloudstaffers the best of both worlds – the awesome feel of holding a physical book and the convenience of borrowing them through a digital platform.

The idea is to spark this culture of constant learning, personal growth, and community engagement within the Cloudstaff family. Through this virtual library, employees can browse an extensive catalog of books covering a wide range of genres, including professional development, leadership, technology, fiction, and more.

Social Clubs

Cloudstaff is not just all about work. We also build communities within our community to make sure there is a place for everyone.

Some of our clubs include: CS Cares, CS Petaholics, CS Otaku, CS Runners, CS Gaming Community, CS Sessions, CS Basketball, CS Zumba, CS Outdoor Group, 10,000 Steps Health Club

cs Shutterbugs

Cloudstaff photography group

Cloudstaff Shutterbugs: A vibrant photography club within the Cloudstaff community, uniting enthusiasts to capture life's moments creatively. Through meetups and workshops, we inspire and educate while fostering camaraderie among members.

CS Cares

In everything we do, there's a warm thought for the communities that touch our hearts.

Part of being the #1 Workplace includes extending a helping hand to the unfortunate. Through CS Cares, we join hands to make a positive difference. Our volunteers really want to make the world a better place, and they do this by helping others in simple and caring ways. We spend our time and efforts to bring smiles to our local community – spreading kindness and joy.

CS Runners

Cloudstaff running club - where strides meet community.

CS Runners is a dynamic running club dedicated to promoting fitness and community spirit. We welcome all levels of runners, from beginners to seasoned athletes, providing support, encouragement, and organized group runs.

CS Zumba

CS Zumba provides invigorating fitness classes, blending dance and exercise for a comprehensive workout experience.

Led by certified instructors, our sessions cater to participants of all fitness levels, fostering a dynamic atmosphere conducive to energy boosting, calorie burning, and overall health enhancement. Tailored exclusively for Cloudstaff employees, our classes offer an inclusive community environment where individuals can discover the joy of movement and achieve their fitness objectives through the rhythmic allure of Zumba.

CS Basketball

CS Basketball Club is an exclusive opportunity for Cloudstaff employees to engage in the exhilarating sport of basketball.

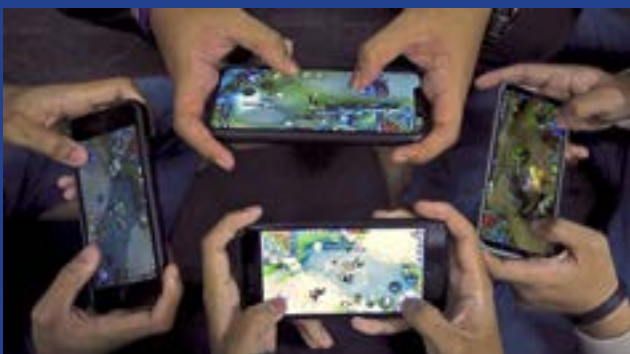

Our club organizes regular games, skill development sessions, and friendly competitions, catering to players of all levels. From beginners to seasoned athletes, participants benefit from teamwork, camaraderie, and the thrill of healthy competition. It's a great opportunity to enhance skills, stay active, and connect with like-minded colleagues who share the same passion for basketball.

CS Gaming Community

CS Gaming Community is the hub for Cloudstaff employees to immerse themselves in the world of gaming.

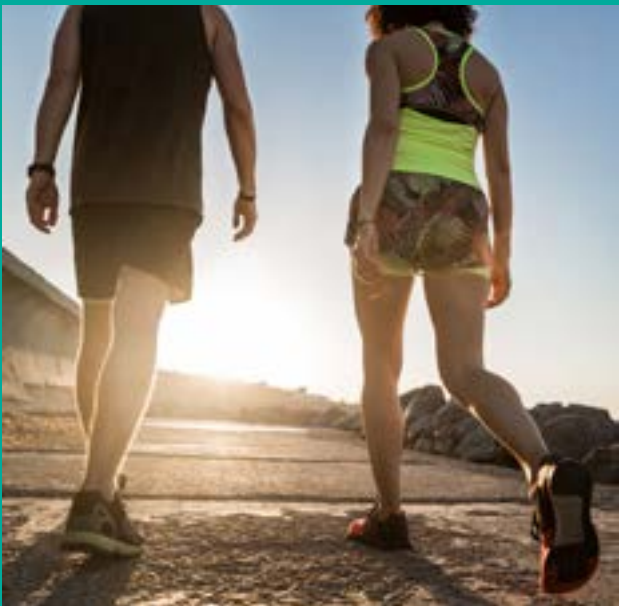

From casual players to competitive enthusiasts, our community offers a diverse range of gaming experiences, including multiplayer sessions, tournaments, and social events. Whether you're into PC, console, or mobile gaming, there's something for everyone. Connect with fellow gamers, share tips and strategies, and enjoy the thrill of gaming together. Level up your gaming experience with the CS Gaming Community!

10,000 Steps Health Club

An inclusive program tailored for Cloudstaff employees to prioritize their well-being through daily physical activity.

Participants are encouraged to achieve the recommended 10,000 steps each day, promoting cardiovascular health, improved fitness levels, and overall wellness. Whether it's through walking, jogging, or integrating movement into daily routines, every step contributes to a healthier lifestyle.

Buyers' Club

A program that offers competitive deals on home appliances, specifically tailored for Cloudstaff employees.

This initiative harnesses the collective purchasing power of staff members to secure discounted rates and negotiate flexible payment plans, particularly for sought-after items like TVs. It's worth noting that eligibility for participation hinges on tenure, with re-hires having the advantage of retaining their previous tenure alongside their current status.

Saturday BBQ

An event full of beer, barbeque, and bazaar

We're transforming our typical morning into an aftershift party for our Midnight Rockers working in the night shift to celebrate work-life balance and a well-deserved break from the nightly grind. Amidst the nocturnal hustle, this event is a chance to unwind, enjoy delicious BBQ delights, sip on refreshing beers, and explore a vibrant bazaar. It's our way of showing that despite the unconventional hours, Cloudstaffers' well-being is always our #1 priority.

Pizza Party

Recognizing the importance of balance in the remote work environment, Cloudstaffers aim for a tasty break. And the best way to do it? Pizza Party!

Beyond the cheesy delights, this event focuses on camaraderie, making connections, and enjoying their earned break from digital screens.

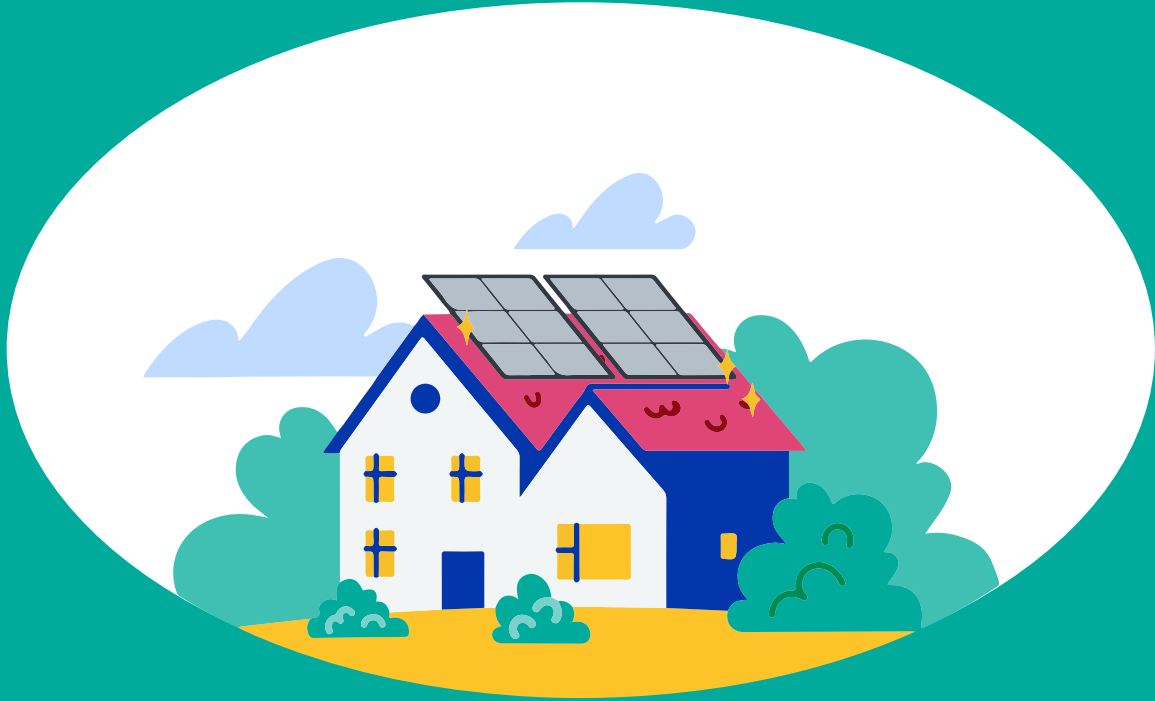

As we share laughter and pizza, we improve our workplace culture, foster a friendly atmosphere, and contribute to our overall welfare.

At Cloudstaff, we believe that a happy team is a productive team!

Home Solar for Staff

Cloudstaff's Code Green program represents a groundbreaking initiative centered around rooftop solar installation and maintenance.

Far beyond being merely a technological leap, this program directly enhances the daily lives of Cloudstaffers. Code Green epitomizes Cloudstaff's commitment to innovation, ensuring reliable remote work by helping Cloudstaffers save electricity and providing seamless power even during natural disasters. It stands as a testament to the company's dedication to employee well-being and community resilience.

Cloudstaff Academy

Developed by industry experts and incorporating real-world scenarios and hands-on software user training, Cloudstaff Academy is the surefire way to accelerate your outsourcing success. We offer training programs in accounting, real estate and travel to job seekers, enabling you to select from graduates that can hit the ground running from day one.

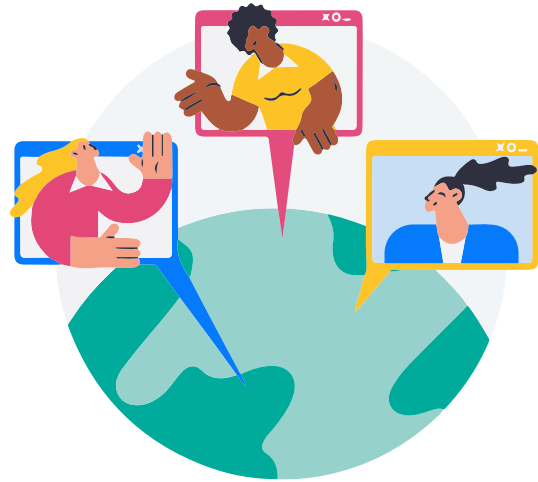

In addition to our Fast Track and Specialist Training courses, we provide ongoing Cloudstaff training, including IT security, time management, language skills, and more! By fostering a global career pathway and not just a one-off placement, Cloudstaff has excellent retention rates and a reputation as the #1 employer – enabling us to find expert, hardworking, and loyal staff for our customers.

Pioneering global remote staffing for over 15 years

We've been empowering global businesses to reach their goals through a winning combination of the right people, cutting-edge tech, and a thriving culture.

Cloudstaff is leading the way with global remote staffing – helping the world's growing businesses find their perfect teams from our database of over half a million potential candidates.

Our Cloudstaff community and training academy support the career paths of passionate and loyal staff, leading to high retention. Productivity tech and security, along with first-class service, round out the reasons why clients choose us – the perfect blend of awesome people, super cool tech, and a culture that not only keeps our team happy but also supports their personal and professional growth.

Back in 2005, an Australian Internet pioneer, Mr. Lloyd Ernst, kickstarted Cloudstaff because he realized that businesses were struggling to hire IT professional services talent.

Fast forward to 2010, Cloudstaff saw the potential in global remote staffing and started operations in the Philippines. It turned out to be a game-changer, allowing the company to rapidly expand with over 6,000 staff across 34 countries.

Cloudstaff is all about professional services. Recognizing the critical need to source the best talent for industries facing staffing shortages, Cloudstaff boasts extensive expertise across various industries, particularly in real estate and accounting.

Our remote staffing platform delivers modern workforce solutions to clients across a broad range of industries and roles, including: Accounting and Finance, Engineering and Drafting, Software Quality Assurance, Software Development, Creative and Marketing, Real Estate, Back Office, Customer Service, and Technical Support.

Cloudstaff's unwavering commitment to excellence has been recognized and celebrated through numerous prestigious awards, such as 'HR Asia's Best Companies to Work For' award for three years in a row and the 'Digital Transformation Award', and we've also been acknowledged by the Australia Financial Review as one of the 100 fastest growing companies in Australia.
